

Computer Software License Agreement for FormForge®, a product of Alpine Data, Inc.

By using or installing any version of the FormForge® software product created by Alpine Data, Inc. (including source code, and the corresponding documentation) (hereafter referred to as "**Software**"), you agree to be bound by the terms and conditions of this License Agreement. As used in this License Agreement, "**You**" shall mean the individual using or installing the Software together with any individual or entity, including but not limited to your employer, on whose behalf you are acting in using or installing the Software. You shall be the "**Licensee**" under this License Agreement. This License Agreement constitutes the complete agreement between you and Alpine Data, Inc. No amendment or modification may be made to this Agreement except in writing signed by you and Alpine Data, Inc. If you do not agree to the terms and conditions of the Agreement, discontinue use of the Software immediately.

1. License Grant - FormForge®

In consideration for license fees paid, and other good and valuable consideration, Alpine Data, Inc. grants to you only, the Licensee, the non-exclusive, nontransferable right to use the Software in accordance with the license you purchase. If you are using this product for your employer, this agreement also includes your employer. You may only use the Software on the computer or computers for which the Software is licensed. Software that is distributed as shareware or a demo may only be used for testing and evaluation purposes for a period not to exceed ninety (90) days.

1.1 FormForge Basic Level

License granted to FormForge users under the Basic Level License includes the right to (a) develop PCL form files, (b) to use and distribute at no cost such forms internally and/or to end users who have an established relationship with the licensee and (c) to sell and/or distribute such forms in conjunction with computer software programs developed by the licensee. FormForge generated forms may not be offered for distribution, sale or resale except as indicated above, i.e. only as an integral part of one or more computer software programs created by the licensee which programs themselves are offered for direct sale to end users or for resale through third parties. Files created using FormForge that are distributed to end users under the terms of (b) above may not be sold, resold or otherwise distributed by those end users. The FormForge Basic program does not include the capability to create data definition and positioning companion files, so called 'FPF' or 'FLE' files.

1.2 FormForge Developer Level

License granted to FormForge user(s) under a Developer Level License includes all of the rights and restrictions enumerated in paragraph 1.1 (above) in addition to which the Developer Level version of FormForge includes the ability to create and distribute (under the same restrictions) data definition and positioning companion files, so called 'FLE' files.

2. Copyright

The Alpine Data, Inc. Software and all accompanying materials are copyrighted and contain proprietary information. Unauthorized copying of the Software or accompanying materials even if modified, merged, or included with other software, or of the written materials, is expressly forbidden. You may be held legally responsible for any infringement of intellectual property rights that is caused or encouraged by your failure to abide by the terms of this Agreement. You may make copies of the Software solely for backup purposes provided the copyright and trademark notices are reproduced in their entirety on the backup copy. Alpine Data, Inc. reserves all rights not specifically granted to Licensee.

Alpine Data, Inc. warrants to you that Alpine Data, Inc. is the sole owner of all patents, copyrights or other applicable intellectual property rights in and to the Software unless otherwise indicated in the documentation for Software. Alpine Data, Inc. shall defend and hold Licensee harmless from any third party claims for intellectual property infringement for properly licensed Software provided by Alpine Data, Inc.

The Software and documentation are licensed, not sold, to you. You may not rent, lease, display or distribute copies of the Software to others except under the conditions of this license. You may not disassemble, decompose, reverse engineer, or alter the Software.

3. Duration of License

This license is granted for a period of one year (365 days) from the date of delivery of the software. FormForge licensees may continue to use the software after the expiration of the license period, but updates and tech support will not be provided by Alpine Data, Inc.

4. Termination

This Agreement is effective until terminated. This Agreement will terminate automatically without notice from Alpine Data, Inc. if you fail to comply with any provision contained herein or if the funds paid for the license are refunded or are not received. Upon termination, you must destroy the Software, and all copies of them, in part and in whole, including modified copies, if any.

5. Warranty & Risks

Although efforts have been made to assure that the Software is correct, reliable, and technically accurate, the Software is licensed to you as is and without warranties as to performance or merchantability, fitness for a particular purpose or use, or any other warranties whether expressed or implied. You, your organization and all users of the Software, assume all risks when using it. The manufacturers, distributors and resellers of the Software shall not be liable for any consequential, incidental, punitive or special damages arising out of the use of or inability to use the Software or the provision of or failure to provide support services, even if we have been advised of the possibility of such damages. In any case, the entire liability under any provision of this agreement shall be limited to the amount actually paid by you for the Software.

6. Technical Support, Product Upgrades

Alpine Data, Inc. offers free technical support for the duration of the license. This includes both product support and product upgrades.

7. Controlling Law and Severability

This License Agreement shall be governed by and construed in accordance with the laws of the United States and the State of Colorado, as applied to agreements entered into and to be performed entirely within Colorado between Colorado residents. The courts of the State of Colorado, County of Montrose, shall have exclusive jurisdiction and venue over any dispute, proceeding or action arising out of or in connection with this License Agreement or your use of the Software. If for any reason a court of competent jurisdiction finds any provision of this License Agreement, or portion thereof, to be unenforceable, that provision of the License Agreement shall be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this License Agreement shall continue in full force and effect.

8. Non-Waiver

The failure by either party at any time to enforce any of the provisions of this License Agreement or any right or remedy available hereunder or at law or in equity, or to exercise any option herein provided, shall not constitute a waiver of such provision, right, remedy or option or in any way affect the validity of this License Agreement. The waiver of any default by either party shall not be deemed a continuing waiver, but shall apply solely to the instance to which such waiver is directed.

9. Return Policy

All returns must be received within **30** days of purchase.
